## Ladies Performance Shirts

Choose from over 30 new templates and from an unlimited colour range or provide your own sketch and create a unique design of curling shirts.

The shirts are 'fitted' to offer maximum styling and comfort, with 'set-in' sleeves and additional length to the back.

For ladies 3 collar options are available, a modern 'sports' collar or traditional 'polo' collar or our single button 'ladies' collar for style - all shirts have YKK zips as standard. A long sleeve option is also available.

Names, numbers and sponsor logos\* can all be added at no additional cost.

**Materials** select from a choice of materials including

**Standard Sports** - a high quality european manufactured 200gsm fabric, offering good wicking and comfort.

**Thermocool** - an advanced 'body temperature regulating' fabric which keeps you warm when cold and cools when warm. Perfect for Curling. Standard fabric is 160gsm.

**Lacosta** - A wonderful polyester fabric which 'feels like cotton' - this is perfect for those who do not like the harshness of traditional polyester but still want a great looking comfortable sports fabric.

**Coolmax 135gsm**- offers a light weight, but super comfortable shirt with excellent

\* logos required in illustrator eps. setup charge may be incurred.
